

Diana is a Teacher's Aide with Connections Education Center of Palm Beach (CECPB). In this role Diana works with children in grades K to 2 assisting with teaching life skills, daily living activities, educational exercises and socialization including benchmarking, evaluation and testing activities. Diana has spent almost 40 years working with the Special Needs population. She spent 20 years with Goodwill of Maine, 8 years working in ESE classrooms as a substitute teacher in 3 different states, 3 years with the Palm Beach County School Department, 6 years with the Renaissance School and now is in her second year with CECPB.

Diana's experience in this field coupled with her caring nature and special skills including ASL sign language are a great asset for your children. She has spent the better part of her life dedicated to working with and caring about the special needs population. The mother of an Autistic son; a coach of multiple sports within Special Olympics; She provides one on one personal support, and respite service to individual families; someone who has been involved with a wide range of both physical and cognitive disabilities over the years; all of these experiences uniquely positions Diana to be a tremendous asset to CECPB in assisting your children in advancing toward the goals of socialization, acceptance and independence in the world at large that we all aspire to find for our children.
