

Jason moved to Palm Beach County in 2006 from Chicago, Ill. He studied Business Administration and Marketing at Nova Southeastern University and graduated in 2001. He spent his professional career promoting productivity through technology and building interpersonal skills to build relationships with the community and coworkers to help them reach their potential through technology. Jason has worked at the Florida Marlins Baseball Club and Florida Panthers Hockey Club before finding his passion to work with children with Autism Spectrum Disorder. Technology has continued to improve and provide a fabulous platform for special needs students to learn and grow and it is our job as a community to provide them tools they need.

“Special needs children have enriched my life more than I could ever put into words. I am a better person because of them. I hope I can return the favor”
