

Lien is a paraprofessional in our Pre K/K classroom with Ms. Tracey. Lien has a degree in Elementary Education from Nyack College and is currently completing the state certification for teaching in Exceptional Student Education. She has 6 years of experience with children on the spectrum and has worked with students in Pre-K to 8th grade.

Lien's knowledge of educational and behaviors with a drive for problem solving are a perfect blend to see the best in her students and help them achieve success.

"Loving kids, accepting who they are and finding what will work for them, is the basis of providing them with an excellent quality of life."
